

ZERO COST TRANSACTION PROCESSING

Newtek[®]
Merchant Solutions

Join the Zero Fee Revolution

Reduce or eliminate your transaction processing charges for accepting credit cards

HOW IT WORKS:

- » Each of your transactions can include a Technology Fee that covers a portion (or all) of your merchant processing transaction fees.
- » For full transparency, your customer will see the itemized Technology Fee at the time of purchase.
- » Once the transaction is completed, You receive the full amount of the transaction!

Face to Face or eCommerce Solutions Available:

These highly effective solutions allow you to offset your transaction fees while delivering a secure face to face or online payment option to your customers.
